Chairs Chat

Happy Easter to all our members hope you all enjoyed the sunshine before it got colder.

You may have realised that St Columba's hall is being used as a vaccination centre and I am advised that this will continue until the end of July 2021.

I am hoping depending on advice from the government that we may be able to resume our meetings in August, although we may still have to wear masks and socially distance but I am sure we can manage this. By this time I am hoping that you will all have had both vaccinations.

Hope you enjoy are competition this month and see how much we have changed over the years.

Can I say many thanks to Barrie our editor and Tony and Dorothy Curtis for distributing the newsletter at least we have been able to keep in touch.

Please stay safe

Membership Fees

The trustees have decided to waive our membership fees for 2021/2022 due to the lack of meetings and activities. For those who pay by standing order these can be refunded or can be put in the accounts as a donation. Please get in touch if you require a refund.

Nidd Hall / Alvaston

As most of you know I have had to cancel the Nidd Hall holiday and I have now booked Alvaston hall for 15th October. This was due to the very expensive charge for single rooms at Nidd Hall. At Alvaston the single rooms are the same price as standard rooms.

For those who have paid a £50 deposit the balance due is now £300.

The Quirky afternoon tea has also been totally cancelled so monies paid for this I will deduct from Alvaston hall. If you have paid for this the balance due will be £267.50.

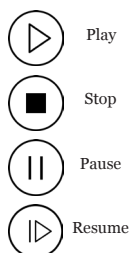

If you ordered a patio there is an extra charge of £15 each.

The balance is due by 31st July 2021

The entertainment is Dusty and friends with a tribute to the 60's and some of the biggest musical legends, plus Sabatino & Sutcliffe sing the songs of Ball and Boe
